Next Floor® will repair or replace the portion of the carpet that does not perform according to these Limited Warranties. Any charges for carpet disposal, new padding or moving furniture, equipment, etc. are the responsibility of the owner and are not covered by these Limited Warranties.

Installation

The product must be properly installed according to Next Floor® installation instructions, or these Limited Warranty are void. Defective installation is not covered by these Limited Warranties. Improper installation includes but is not limited to improper adhesives, inadequate subfloor, and improper subfloor preparation. Subfloors must be clean, smooth, flat, solid (no movement), structurally sound, dry, and free from all existing adhesive residues and/or any other foreign material that might prevent adhesive bond. Visit www.nextfloor.net to view full installation instructions for this product.

Maintenance

The consumer shall maintain the carpet in accordance with the applicable Carpet & Rug Institute's Carpet Maintenance and Cleaning Standard (see www.carpet-rug.org). Damage from inappropriate or inadequate maintenance is not covered by this Limited Warranty.

These Limited Warranties are non-transferable. The consumer shall reasonably cooperate with Next Floor® in its efforts to honor and perform its obligations under these Limited Warranties.

Commercial Wear Limited Warranty

Next Floor® warrants that this carpet will not wear (lose surface pile) more than 10% following installation of the carpet, provided that the carpet is properly installed and maintained indoors (see above).

This Limited warranty excludes carpet installed on stairs, areas subject to inappropriate chair casters, damage from skates, spiked shoes and sharp objects, and abuse including damage from athletic shoes and abnormal activity. Water damage, willful damage including burns, tears and cuts, and the effects of improper installation and maintenance are also all excluded from this Limited Warranty. This Limited Warranty covers abrasive wear (loss of pile). Changes in appearance caused by soiling, crushing (matting) or pooling are excluded from this Limited Warranty.

Comprehensive Stain Limited Warranty – No Exclusions

Next Floor® warrants that this carpet tile will not permanently stain from substances typically found in homes or offices during the listed warranty years following installation of the carpet, provided that the carpet is properly installed and maintained indoors as recommended by Next Floor® (see general warranty details above). A stain is defined as an irreversible localized colour change rated less than 3.0 on the AATCC Gray Scale for Evaluating Staining (1.0 = more change; 5.0 = less change).

This Limited Warranty excludes willful damage including burns, water damage, reappearing (wicking) spots, and any stain that may occur in high traffic areas such as stairs. In addition, substances that degrade or destroy the carpet fibers (i.e. drain cleaner, battery acid, etc.) are also excluded from this Limited Warranty.

This warranty is not a cleaning contract. The consumer must establish and implement a preplanned preventative maintenance program immediately after installation of the carpet (see general maintenance details above).

Claims submitted to Next Floor® under this warranty must include a letter and a receipt from a professional carpet cleaner describing the affected area and the cleaning procedures applied, with a statement that the stain could not be removed. If after professional cleaning, the stain is tested and the affected area is found to have a rating of less than 3.0 on the AATCC Gray Scale for Evaluating Change in Colour, Next Floor® will designate a professional carpet cleaner to attempt to remove the stain. If the second professional cleaning removes the stain, the consumer must pay for this service. If Next Floor® determines that the affected area remains unsatisfactory, and that all Limited Warranty conditions have been met, Next Floor® will compensate the owner on a pro rata basis (see proration chart above).

Backing Performance Limited Warranty

Next Floor® warrants that this carpet tile will not lose dimensional stability (i.e. shrink, grow, cup or dome), delaminate from face fiber or unravel at the edges when properly installed and maintained indoors as recommended by Next Floor® (see general warranty details above).

This Limited Warranty excludes carpet installed on stairs, areas subject to inappropriate chair casters, damage from skates, spiked shoes and sharp objects, and abuse including damage from athletic shoes and abnormal activity. Water damage, willful damage including burns, tears and cuts, and the effects of improper installation and maintenance are also all excluded from this Limited Warranty.

If after inspection and/or testing of the carpet, Next Floor® determines that the carpet tile backing has not performed as per this Limited Warranty description and that all Limited Warranty conditions have been met, Next Floor® will compensate the owner on a pro rata basis (see proration chart above).
